

INTERLINK

REPURPOSING RUSTIC TIMBERS

Collection & Dispatch x Warehouse

As a wholesaler Interlink prices its products collected x warehouse, nationally. Each warehouse is an independent commercial facility with busy daily operations, both viewings and collections must adhere to the below guide to ensure safe and efficient visits for everybody. Viewings and collections are to occur separately; payment is required prior to release of goods.

Please consider the below when arranging logistics for your railway sleepers and hardwoods.

The below facilities charge associated dispatch fees, regardless of order size, collection or dispatched. These fees cover aspects like health & safety, administration, labour and use of fork hoist. Storage, re-strapping & bundling and delivery into third party depots may incur additional fees. – Please enquire at your earliest convenience to establish requirements.

Location / Warehouse	Associated fee	Minimum notice
Ashburton	45.00 (Ex GST)	1 day
Auckland – East Tamaki	45.00 (Ex GST)	2 days
Auckland – Papakura (commercial only)	105.00 (Ex GST)	2 days
Auckland - Airport	45.00(Ex GST)	2 days

Note, all Interlink transport quotes will include the above fee.

Only products listed on Interlink shipping notes & invoices can be collected & dispatched.

Hand selection and bundle breaking is not permitted. Quantities outside of pre-bundled lots are by agreement and prior arrangement.

On all sites throughout the country, please follow these simple requirements.

- Report to office on arrival. [Hi-Viz / sign in / consignment reference + instruction] -
- All collections & dispatches are loaded by fork hoist – no exceptions.
- Appropriate closed in footwear must be worn.
- Children & animals to remain in vehicles at all times.

Please refer to our location guide for delivery costs to metro areas.
